

Restore your body chemistry, restore your health! This is the basic premise and foundation of Dr. Susan's pH (pH stands for Potential Hydrogen). Understanding the complex chemical and hormonal functions of the body and working to keep them in balance is the key to optimal health and Dr.

Susan helps you discover your path to wellness.

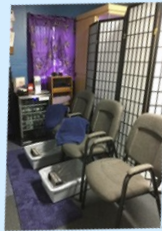

Dr. Susan holds national and international certifications in health, nutrition, physical training, biometric scanning/assessments, hormone health, and precision nutrition. Balance your health, minimize stress, repair hormonal imbalances and live your optimal life! Book your appointment today by calling Dr. Susan at 610 417 2448.

## Why Should You Book Your Cryo T-Shock Sessions ?

Anti Aging Facials,  
Tone, Rejuvenate Skin,  
Restore Collagen,  
Smoother, tighter skin,  
Fat Removal, Body Toning,  
Your answer to Cellulite.

*Cryo T-Shock for facials stimulate and restore deep layers of collagen, reduce pore size and produce smoother, tighter skin. Yes, results may be seen in as little as one session!*

*Did you know that exposure to cooling energy causes the apoptosis of fat cells?*

*Our cryo process lowers the temperature of fat cells to a targeted temperature in a safe, painless, and non-surgical way. These controlled temperature variations result in an increase of basal metabolism by 13% to 20%. This results in fat reduction, younger looking skin, effective body shaping, toning, and collagen production.*

***Dr. Susan's Team of trained and certified therapists offer Cryo T-Shock in our Nazareth office, and also provide Day-of services for bridal parties at your location.***

*(Travel destination fees apply).*

### Cryo T-Shock Pricing and Packages:

Day-of Event Package (1 session per bridal party member) \$125 per person. For Bridal parties over 5, the Bride receives a 50% discount on her session.

5 session package (sessions completed prior to your event day) \$495

10 session package (sessions completed prior to your event day) \$895

### *Other Applications*

Therapeutic treatment with both hot and cold proves to be the best first aid therapy for sports injuries, accidents, muscle recovery after a strenuous workout, and even for general relaxation after a stressful day at the office! Cryo T-shock is your answer for muscle recovery and repair, and is available for all ages. Cryo T-Shock therapy enhances immediate healing, decreases time for full recovery, and decreases down-time from injury!
