

9 WAYS TO GET PAID: The Rain International Compensation Plan

9 WAYS TO GET PAID

rain INCORPORATED

Rain International has designed its compensation plan to accomplish one very simple objective: reward you for developing customers for Rain's line of nutritional products. To maximize your income opportunity, commissions are derived from customers and for you building your organization. Are you ready for success?

We lab-test our products to make sure they do what they claim to do for people. Independent bioanalytical laboratories serving the nutraceutical, food, pharmaceutical and cosmetic industries, have found our products to be effective nutritional supplements that promote health and vitality.

In formulating Rain International's products, our medical and nutritional experts drew from decades of published research and studies regarding the raw nutritional and powerful benefits of Seeds.

The Oils and Flours extracted from seeds provide maximum protection for your cells.

- ~Increases the thickness of the cell membranes
- ~Contains a diverse and high levels of nutrients.
- ~The cold-press process does not damage the nutrition found in seeds, unlike harsh chemical or high heat processes.

**Non GMO, Vegan and
Gluten Free Seed-Based
Nutritional Supplements**

Rain International has helped solve the world's nutrition problem by creating a new category of supplement based not on one exotic plant while neglecting others but upon the principle that all edible plants have nutrition to offer.

This new category is seed-based nutrition and it taps into the most concentrated form of nutrition in any plant
~it's seeds.

Our products contain some of the most studied seed ingredients for maximum health benefits.

Introducing

FORM

SEED PROTEIN REDEFINED

Rain FORM's Dairy free, gluten free, vegan/vegetarian, low carb, low calorie superfood is hypoallergenic and paleo approved!

1. Promotes energy and fuel performance for muscles
2. Supports healthy body mass index and overall leanness
3. Repairs and supports lean muscle mass
4. Suppresses appetite
5. Increases muscle density
6. Promotes healthy weight
7. Supports triglyceride and blood glucose levels already in normal range

Ingredients: Sacha Inchi seed, pea protein, hemp seed, chia seed, cranberry seed, pumpkin seed

Form can be used for both weight reduction and muscle growth. Form is fat reducing and a muscle leaning supplement. This premium nutrition product is a low-calorie (116 calories total), complete protein seed supplement. Form's protein is highly bioavailable and is quickly absorbed into the body. Form contains a high concentration of branched-chain amino acids (BCAAs) which fuel muscles and stimulate protein production.

Among the **18 amino acids** in Form are leucine, isoleucine and valine, critical components to muscle growth and energy during workouts. Form is easily and quickly digested, delivering nutrients and amino acids to your muscle cells efficiently. Rapid transference of amino acids to muscles is key to pushing lean muscle growth.
